Debra and I talked through these edits. Trying to soften statements of decisions in several places.

Attached are all of the fact sheets requested by OCIR (I sent all of these individually yesterday, with the exception of platinum). For the IRIS fact sheet, I've attached the version with John's edits.

Please send comments by COB today if possible or by 9:00 a.m. tomorrow at the latest.

FYI, OW has the lead on fact sheets on perchlorate, PBDEs, and Cr6.
